"ACE and all its employees have high integrity and work diligently to ensure NAVSEA gets what is orders. They assisted when NAVSEA had some warehouse confusion, they held multiple large pallets full of material with no extra cost to the government while ensuring a high standard of professionalism and quality."

—Tactical Tomahawk Weapons Control System, Contracting Officer

"ACE's management was involved throughout the period of performance and was effective in supplying of the contract deliverables. They maintained effective and open communications with the Government and were responsive to inquiries."

— PM, Towed Artillery Systems, M119, Contracting Officer
